

Can we help you spread your message?

Have all the benefits of a feature magazine story and none of the drawbacks...

What is Healthy Wealthy nWise?

- An online magazine dedicated to bridging the gap between modern life and balanced abundance.
- We help our members move toward a healthier, wealthier, more abundant lifestyle with thought provoking, content-rich articles, and special membership programs.
- Each month we feature Speakers, Authors, and Mentors (SAMs) on the pages of the magazine that teach the concepts of health, wealth, and wisdom.

**Are you Healthy Wealthy nWise material?
If so we'd like to help you achieve your goals!**

How can we help you?

- **Your message, Your way** – Your content-rich educational article of 800 – 1000 words with a bio section of 40-50 words promoting your latest project and contact information, can be included in the magazine at no charge. If you've got information that our readers need to see, we want to help you get it out there!
- **Exposure to new people** – Your article will be featured on the web site and your issue promoted to the list of every single contributor in the magazine. That's more than 20 lists in addition to the Healthy Wealthy nWise membership!
- **Association with great speakers and mentors** – Each month Healthy Wealthy nWise interviews a top-notch mentor for the cover of the magazine. You'll be featured alongside some of the world's GREATEST teachers!
- **Make sure you can "get those names"** – We want to help you build your lists. We will list your free lead generating e-book, e-course, special report, or teleclass in the HealthyWealthynWise.com library for no charge.
Email leadgenerators@HealthyWealthynWise.com for details.
- **You've got Staying Power** – Your article will be permanently archived on HealthyWealthynWise.com at the end of the month. At that time you may choose to purchase a "digital tear-sheet" to use in your publicity efforts. This is a .pdf document that has the cover image and the magazine layout of your feature article. You can email or print it, and send your feature along with your press kits in future PR campaigns. Send it to your members, students or followers. Put it on your web site. Use it any way you want to help spread your message.
- **Give your people a gift, on us** – We'd like to offer all of your members, students, or protégés a FREE copy of our ebook A Life on Fire, as well as an invitation to join our monthly Passion Interview Series at no charge.
- **Tell us how we can help** – We want to help you reach your goals. Tell us if you can think of any other ways we can help that would benefit you as well as our membership.

How can you help us in return?

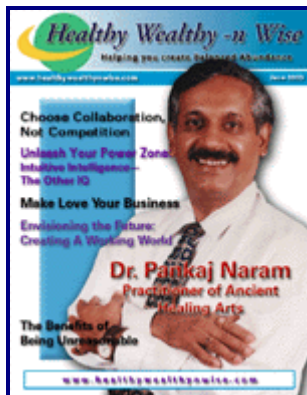

- Send at least 2 messages to your membership lists
 1. Telling them you're going to be featured in Healthy Wealthy nWise, and that you've arranged a special gift for them.
 2. Announcing that your issue is out, and telling them where to go see it.
- Display the cover graphic on a prominent section of your web site for the entire month your issue is up.
- Please Respect our deadlines – all articles must be in our offices 4 weeks prior to publication.
